Case No. 2:14-cv-01699 LRH CWH

**COUNTERCLAIMANTS AND  
 DEFENDANTS ORACLE AMERICA,  
 INC. AND ORACLE  
 INTERNATIONAL CORPORATION'S  
 SEVENTH SET OF  
 INTERROGATORIES TO  
 COUNTERDEFENDANT AND  
 PLAINTIFF RIMINI STREET, INC.**

1 facts or evidence will ultimately show.

2 3. The following rules of construction shall apply to all interrogatories:

- 3 a) The use of a verb in any tense shall be construed as the use of that verb in  
4 all other tenses.
- 5 b) the use of a word in its singular form shall be deemed to include within its  
6 use the plural form;
- 7 c) the connectives “and” and “or” shall be construed either disjunctively or  
8 conjunctively, whichever makes the interrogatory, definition, or  
9 instruction more inclusive;
- 10 d) the terms “any,” and “each” shall be construed to encompass “all”;
- 11 e) the term “including” means “including but not limited to”; and,
- 12 f) the use of the word “the” shall not be construed as limiting the scope of  
13 any interrogatory.

14 4. These Interrogatories are to be considered continuing in nature, and Rimini must  
15 promptly furnish supplemental responses if any additional responsive information is discovered  
16 or created after Rimini’s responses are tendered, or if any of Rimini’s responses are subsequently  
17 determined to be incorrect, incomplete, or misleading in any respect.

18 5. Unless otherwise specified, the “Relevant Time Period” covered by these  
19 Interrogatories is the time period beginning June 10, 2010 for the E-Business Suite Family of  
20 Products, and the time period beginning September 28, 2011 for the PeopleSoft Family of  
21 Products, J.D. Edwards Family of Products, Oracle Database Family of Products, and Siebel  
22 Family of Products.

23  
24 **INTERROGATORIES**

25 **INTERROGATORY NO. 23:**

26 Explain Rimini’s policies, practices, and procedures concerning the storage, retention,  
27 and deletion of all fixes, patches, and updates that Rimini provided to or created for any current,  
28 past, or prospective Oracle Software customers, including an identification of all locations where

1 such fixes, patches, and updates are or have been created, copied, stored, or transferred to (e.g.,  
2 specific Rimini network or shared drives, cloud systems, customer systems), the disposition of  
3 such fixes, patches, and updates, and an explanation of when any change in those policies,  
4 practices, and procedures occurred.

5 **INTERROGATORY NO. 24:**

6 In a chart form, for each Custodian for which Rimini has not collected instant messages  
7 for the entire Relevant Time Period from all instant messaging programs used by each  
8 Custodian, explain all issues or problems concerning the preservation and collection of such  
9 instant messages (e.g., the inability to collect Yahoo Instant Messages for a given Custodian for a  
10 specific period of time), including the instant messaging program(s) and time period(s) for which  
11 Rimini identified the issues or problems, and whether Rimini's collection and production of  
12 instant messages is complete for that Custodian, and if not, what additional steps Rimini plan to  
13 take, if any, to collect and produce instant messages for that Custodian.
